## Publication of Sample Presidential Ballot Paper

The Malawi Electoral Commission (MEC) hereby publishes a sample ballot paper for the May 20 Presidential Election. This sample ballot contains no security and counterfeit features which have been embedded into the original ballot.

The Commission has published this sample ballot paper to afford all stakeholders an opportunity to appreciate how the ballot paper will look like. This will also help political parties to educate their supporters on how to vote for their candidates.

Stakeholders are also informed that candidates for Parliament and Local Government Elections are arranged in alphabetical order of surnames.

Should any political party or organization wish to reproduce this sample ballot paper they should maintain the watermark of "SAMPLE".
