Selection Criteria

The process of selecting the successful candidates was based on the Malawi Government's policy of equitable system for admitting students to public universities which is addressing the inequitable distribution of opportunities to higher education. Under this policy, each district was offered ten places on merit for the best candidates qualifying for entry into their first, second, third and fourth choice programmes. The rest of the candidates were selected based on both merit and population ratios of their districts of origin. Every district has fulfilled its reserved places of ten, plus those places under the population ratios.

Mzuzu University used the candidates' performance at Malawi School Certificate of Education (MSCE) or its equivalent as the academic basis for merit ranking of candidates.

In 2011, a total of 6,217 candidates applied for admission into the University (4,515 males and 1,702 females). Out of these applicants 5,161 qualified for entry into the programmes they had applied for while 1,056 did not qualify. From the candidates that qualified, 366 have been selected to study in various programmes at Mzuzu University. Of the selected ones, 254 are males while 112 are females, representing 69% and 31% respectively.

Opening Date

Mzuzu University wishes to inform all selected students that the date for opening is Wednesday 9th May 2012.

Orientation, Arrival, Accommodation and Meals

On-campus students should arrive on the same opening day Wednesday 9th May 2012 to access accommodation and catering facilities.

Orientation will be conducted in the University Hall from Thursday to Friday (10 – 11th May 2012). It is mandatory for students to attend the orientation programme.

Registration and Commencement of Classes

Registration will be conducted in the University Hall on Tuesday 15th May 2012 from 2.00pm and will close at 5.00pm. Students who do not register on this day will start accumulating the late registration fee of K200 per day.

Students will not be registered until all fees and other financial obligations are paid in full.

Classes begin on Wednesday, 16th May 2012.

Payment of Fees

Mzuzu University is discouraging sponsors, parents and guardians from giving cash to students for payment of fees. The cash office will not be receiving cash payments for fees from students. Sponsors, parents and guardians are therefore required to pay fees through NBS Bank using the following account details:

Name of the Bank : NBS Bank

Account Name : Mzuzu University Fees Collection Account
Account Number : 0030749011013
Branch : Mzuzu Branch

Candidates will be required to present the bank deposit slips to the cashier on registration and will be issued with a receipt. Name of the student and the student's programme of study should be presented on the deposit slip. There is also an NBS Banking facility at Mzuzu University Campus where such deposits for fees may be done.

Only those candidates who will have paid fees and fulfilled the registration requirements will be given authority to attend classes and have their swipe cards issued or re-activated for accessing library, catering and other services.

MSB Bank Loans for Needy Students to Pay Tuition Fees

The Mzuzu University Students Representative Council (MUSREC) wishes to advise all needy students seeking assistance from the Malawi Savings Bank (MSB) for loan to pay their fees to collect new loan application forms from any MSB agency across the country and have the forms completed with their parents and guardians before reporting on campus.

To be registered, candidates will be required to bring proof of their loan being approved by Malawi Savings Bank (MSB). Therefore applying for the loan does not exclude the student from the requirement to pay fees on

registration. Candidates will still be required to pay a minimum of half of the required amount to register. Mzuzu University will not be responsible for the outcome of the loan application.

Stationery and Other Requirements

Candidates will provide their own stationery. Different programmes have different requirements for candidates registering in those programmes such as uniform, laptop computers, health and safety equipment and other learning equipment/materials. Details of such requirements will be communicated to successful candidates by respective Faculties upon admission.

Original Certificates and Passport-size Photos

All candidates are required to bring original copies of their academic certificates and two passport size photos for registration.

Admission Letters

The University is sending an admission letter to each of the candidates, enclosing other details regarding the admission and a medical form that should be completed with a medical practitioner.

We would like to congratulate all the successful candidates on being selected to study at Mzuzu University.
